

William's 60 Day Kegerator Return Policy

If you decide a kegerator does not meet your needs, you may initiate a return within 60 days of purchase for a refund less return shipping charges. Please call us at 800-759-6025 to start a return.

Fedex Home Delivery return freight charges will be deducted from the refund amount. These are typically around \$190.00, depending on pickup location. Refunds will be applied to your account once the item has been received and inspected at our warehouse.

Returns must meet the following criteria:

- Return must be authorized within 60 days of purchase
- All original packaging and padding must be properly packed around the unit, and the customer is responsible for wrapping the kegerator with strapping tape to replace the straps originally used to secure the upper and lower boxes. Kegerators without original boxes and packaging are not eligible for return.
- Product cannot be altered, cut, or drilled in any way.
- Before sending, photos are required so we can be sure the product is in the original packaging and can survive the return Fedex trip. Photos should be sent to service@williamsbrewing.com
