

William's 1 Year Kegerator Warranty

For one year from the date of purchase by the original owner, William's Brewing will, at its option, repair or replace any part of the unit, which proves to be defective in material or workmanship under normal residential use. During this period William's Brewing will provide all parts (if easy for the customer to replace) as necessary to correct such defects free of charge, so long as the unit has been installed with 4" of side and back clearance for proper ventilation.

In the event the unit cannot be repaired with replacement parts, William's Brewing will provide you with a replacement product that is either new or factory refurbished.

William's Brewing will also pay all shipping costs to get a replacement unit to you during the warranty period if replacement is needed.
